

For Immediate Release

DiTV Opens Taipei Service Center for Norsat Satellite Systems

(Taipei, Taiwan and Vancouver, British Columbia) June 28 2006, 09:15 EST – Norsat International Inc. (TSX – NII.TO; OTC BB – NSATF.OB) announced today that its partner, DiTV, a multi-disciplinary engineering services firm, has established an Authorized Service Center in Taipei, Taiwan to support customers of Norsat's satellite systems.

"This service center will give us a competitive edge over other players in the market. We are the only company that can provide comprehensive Tier I and Tier II support for satellite systems in Taiwan," said James Hsueh, President, DiTV.

The Service Center will provide an in-country capability to diagnose, repair, overhaul and upgrade fielded satellite systems. DiTV has also purchased a comprehensive set of critical and depot-level spares and can offer an advanced parts exchange program for fielded units. The facility is manned by Norsat Certified Field Technicians™.

Forward Looking Statements

Statements in this report relating to matters that are not historical fact are forward-looking statements based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. Factors that could cause or contribute to such differences include, but are not limited to, general economic conditions, changes in technology, reliance on third party manufacturing, managing rapid growth, global sales risks, limited intellectual property protection and other risks and uncertainties described in Norsat's public filings with securities regulatory authorities.

The information should be read in conjunction with the Company's audited consolidated financial statements, related notes included therein and Management Discussion and Analysis for the year ended December 31, 2005. All the Company's financial statements are prepared in accordance with generally accepted accounting principles in Canada (Canadian GAAP). Additional information from the year ended December 31, 2005, and other information related to the Company, may be found on the company's website at www.norsat.com.

About DiTV
